About the Book

When rodeo superstar Mix Malone announces he's retiring from the bull riding circuit, his family is furious. Mix is tired, hurt, and disillusioned, but broken bones and concussions are not good enough excuses for quitting, according to his family whose fortune is built on Mix's success. They'll do anything to keep him riding.

Blossom Deavers has always told her special education students to follow their dreams—but finds herself faltering in her own attempts to run the Outlaw Café. Making it work is a lot tougher than she'd ever imagined. She has no time or energy to waste on good-looking superstars who seem to have it all.

But when Mix Malone staggers into her café and passes out at a table during the blizzard of the century, she is drawn into a family brawl with no holds barred. Blossom discovers that she can't just abandon him. Her already hectic life is about to get a lot more complicated when she sets herself against his family's wishes and advises him to quit.
