### About the Book

All she wants for Christmas is her Master's Degree. All he wants is a one-way plane ticket back to Los Angeles.

Tiffany Zelling's mission is to become a crisis therapy counselor using specially trained animals as comfort tools. She's focused on reaching the end of her school career, and nothing will stand in her way—not even a fantasy-world attraction to colleague, Mitch Alexander.

After a year as interim Director of East Coast Operations, Mitch's tenure has been a resounding success. Now, he's set to return to California and lay claim to a well-deserved promotion. He can't wait to leave behind the cold and snowy darkness of Manhattan, but when corporate bullying and a massive snowfall throws him together with Tiffany Zelling, Mitch wonders if heading west is his best future.

As two hearts build a pathway to love, goals shift and evolve. But as Christmas joy and hope move through the streets of New York, critical decisions must be made. Can their lives truly meld? Can Christmas at Tiffany's be God's answer...for them both?
