About the Book

Private Investigator, Braden McCoy wants nothing more than to finish out the week doing a little fishing from his boat. The ex-special ops vet enjoys his peaceful life and loves his new career. He's learned to put his past behind him and enjoy his blessings. Until a mourning redhead walks into his office and changes his plans.

Lexi Ramos always knew her family was dysfunctional. Until the sudden death of her brother, she never knew exactly how much. Consumed with questions surrounding his accident, she seeks the help of a private investigator. What starts out as a murder investigation in Cozumel, quickly crosses borders and escalates into a race against time to save them both from Brazilian kidnappers, who somehow know more about her family secrets than she does. Lexi soon realizes that life comes with a price.
