About the Book

An imposter in paradise.

When Anna Worthington's twin sister gets jilted by her fiancé, Anna steps in with a plan for a girls' Key West getaway instead of a honeymoon trip. Yet when her twin has her own crisis of commitment and doesn't board the plane, Anna finds herself on a romantic getaway that she's forced to navigate alone.

A vacation romance with an expiration date.

Gunnar Lockhart, whose specialty is island tourism, is the perfect match for helping Anna complete her vacation bucket list, but time together forges a connection more personal than either anticipate. As they make island memories, Anna has to untangle her mixed emotions. Are her feelings toward Gunnar real? Or like her sister's wedding day, has this connection been doomed from the start?
