When Kaylea discovers Jace watching her, can he convince her he's not the abominable creature she suspects him to be and that he's there to protect her?

This Christmas, they'll have to con a con to catch a thief, save the day...and uncover a lasting romance.

Discussion:

Question 1: When someone hurts you, do you find it difficult to trust others?

Answer 1: It's only natural to want to protect ourselves from further pain, but it's not fair to project what one person has done to you onto another. Forgiving someone who hurt you frees you to have healthy relationships with others.

Question 2: Can you remember a time when you made assumptions about someone based on how they dressed, or by their hairstyle?

Answer 2: If you catch yourself placing labels on someone, stop and think about what you're thinking and why you're thinking it. Maybe it's the way you think about others that needs to change.

Question 3: Kaylea thinks she's over the hurt Johnathan has caused her, only to discover it's still right beneath the surface. Has this happened to you? What did you discover about yourself through this process?

Answer 3: Keeping an open mind and trusting God will help us through the journey.
